SURVIVAL SUITS**STEARNS INC.****I590 Cold Water Immersion suit**

The Stearns I590 is perhaps the most commonly used high quality survival suit in the global commercial marine- and offshore markets. It is made with 5 mm stretchable flame retardant neoprene. The I590 MED, (formerly called I590 C) is a version without inflatable head support, for easy compliance to MED (European Marine Equipment Directive) configurations. The I590i, with the inflatable head support, has a USCG approval as well. Each suit comes in a tough storage bag.

SIZES:

Child (length 99-150 cm, weight 20-50 kg), yellow bag
Adult Small (length 147-173 cm, weight 50-113 kg), red bag
Adult Universal (length 150-191 cm, weight 50-150 kg), orange bag
Adult Oversize (length over 191 cm, weight 100-170 kg), green bag

**SOLAS Water Operations Safety Suit p.n. 120153**

The ideal suit for the crew of the (fast) rescue boat. It is type approved according to IMO res. 81(70) (SOLAS 1 hour) and still very comfortable wearing.

Features:

- Breathable top in high visual yellow with reflective pads, black bottom part
- Latex neck and wrists seals
- Neoprene hood and neoprene gloves
- Socks to easy fit boots or shoes
- Protected waterproof zipper
- Available sizes: S, M, L, XL, XXL, XXXL

SURVIVAL SUITS**OC 8000**

When lives are at stake, having an immersion suit with the quality and performance of Ocean Commander is essential. 45% lighter than conventional neoprene suits, it's easy to get into and so flexible that it's ideal for abandonment procedures.

Features:

- Hood offers a water-tight fit; face seal gives top protection from water and wind exposure
- Full length body zipper gives a water-tight seal
- 5 mm neoprene removable mitts provide warmth and stow in sleeve pockets
- Non-slip durable rubber soles provide traction on wet surfaces
- Detachable inner buoyancy liner constructed of closed-cell AirSoft™ foam for maximum flotation and thermal insulation; liner can be un-snapped and removed for in-the-field repairs and cleaning
- Inflatable head pillow supports the head at an optimum flotation angle & provides additional buoyancy
- SOLAS grade reflective tape on shoulders and arms aids in nighttime detection; whistle and buddy line included
- Welded nylon outer shell provides waterproofness; high performance urethane coated nylon exterior makes repairs & cleaning easier
- Neoprene wrist seals allows for easy donning and a better seal
- Storage volume has been reduced by 17% compared to a conventional neoprene suit
- High-pitched hailing whistle
- Buddy Line for tethering

SURVIVAL SUITS**INTERNATIONAL SAFETY PRODUCTS****Intrepid Mk 8 abandonment suit**

The Intrepid Marine Mk 8 has been designed as an easy to don, low cost, lightweight, one hour emergency abandonment suit that when packed in its zip pouch is small enough to be stored in a locker or at a workstation. The Mk 8 is manufactured from a tough coated nylon in a high visibility yellow. The suit has a generous fitting and will accommodate a wide range of different sized wearers. The generous foot size allows for donning of a large range of shoes or boots. Features latex 5 fingered gloves, a full face seal, large offset zip for quick donning and a zip pouch. This suit is ideal for use in warmer waters.
